### **1. Aims, scope and principles**

This policy aims to set and maintain standards of conduct that we expect all staff to follow.

By creating this policy, we aim to ensure our school is an environment where everyone is safe, happy and treated with respect.

Many of the principles in this code of conduct are based on the Teachers' Standards. School staff have an influential position in the school and will act as role models for pupils by consistently demonstrating high standards of behaviour.

We expect that all teachers will act in accordance with the personal and professional behaviours set out in the Teachers' Standards. We expect all support staff, governors and volunteers to also act with personal and professional integrity, respecting the safety and wellbeing of others.

Failure to follow the code of conduct may result in disciplinary action being taken, as set out in our staff disciplinary procedures.

Please note that this code of conduct is not exhaustive. If situations arise that are not covered by this code, staff will use their professional judgement and act in the best interests of the school and its pupils.

### **Mission**

Learning is for everyone is our pledge and through working together to teach children and young people in a safe, orderly, and supportively challenging environment, inspiring them to learn, excel and grow to be proud of their achievements

### **Vision**

Old Farm School aims to provide a transparent and consistent approach to supporting pupils identified as having additional educational needs.

## Values

- A safe and orderly school environment for all
- A focus on all children and young people
- The offer of a curriculum to engage, stimulate, support and challenge
- Empowering Leadership all levels and permeate the need for Teamwork throughout OLD FARM SCHOOL and all partner schools we work with
- All Our partners Satisfaction and Support

## Guiding Principles

1. The safety, education, and welfare of our children, young people and our staff, are our priorities, and this must be reflected in our actions and our facilities.

2. A safe, supportive environment nurtures teaching and following PACE principles. (Playfulness, Acceptance, Compassion and Empathy)

3. Excellent teachers and support staff, are the foundation to positive outcomes. All educators are accountable for the quality of work provided to children and young people and they must be committed to the continuous improvement of that work.

4. All educators and staff must be continuous learners. They must be disciplined people, with disciplined thought and disciplined action.

5. The purpose of the OLD FARM SCHOOL is to ensure that each child or young person develops the capacity to think, reason and accept each other. All children and young people must develop those understandings, skills, and habits of the mind which make it possible to participate fully in the life of a diverse society and culture.

6. The focus of all OLD FARM SCHOOL' activities must be on providing children and young people with quality experiences which engages them in meaningful learning.

7. Every child and young person must be understood, encouraged and supported to surpass their current level of learning for life. Differentiation is to include all children and young people therefore every attempt has to be made to match the diverse style of learning and varying levels.

8. All resources (time, people, space, information, budget, and technology) must be used effectively, efficiently, and continuously evaluated to improve the quality of education provided for our children and young people

9. A home/school/community partnership with open communication is essential in providing each child and young person the support needed to be successful.

10. Each parent or carer is a welcomed partner with the OLD FARM SCHOOL in providing a quality education to his/her child. Partnership input into every aspect of what we do as OLD FARM SCHOOL is absolutely essential to everyone's success.

## **2. Legislation and guidance**

In line with the statutory safeguarding guidance Keeping Children Safe in Education, we should have a staff code of conduct, which should cover low-level concerns, allegations against staff and whistleblowing, as well as acceptable use of technologies (including the use of mobile devices), staff/pupil relationships and communications, including the use of social media.

## **3. General obligations**

Staff set an example to pupils. They will:

- Maintain high standards in their attendance and punctuality
- Never use inappropriate or offensive language in school
- Treat pupils and others with dignity and respect
- Show tolerance and respect for the rights of others
- Not undermine fundamental British values, including democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs
- Not express personal beliefs in a way that exploits pupils' vulnerability or might lead them to break the law
- Understand the statutory frameworks they must act within
- Adhere to the Teachers' Standards

As leaders of learning we will

1. Set high expectations which inspire, motivate and challenge pupils
2. Promote good progress and outcomes by pupils
3. Demonstrate good subject and curriculum knowledge
4. Plan and teach well-structured lessons
5. Adapt teaching to respond to the strengths and needs of all pupils
6. Make accurate and productive use of assessment
7. Manage behaviour effectively to ensure a good and safe learning environment
8. Fulfil wider professional responsibilities

### **4.1 Allegations that may meet the harm threshold**

This section applies to all cases in which it is alleged that anyone working in the school, including a supply teacher, volunteer or contractor, has:

- Behaved in a way that has harmed a child, or may have harmed a child, and/or
- Possibly committed a criminal offence against or related to a child, and/or
- Behaved towards a child or children in a way that indicates they may pose a risk of harm to children, and/or
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children – this includes behaviour taking place inside or outside of school

We will deal with any such allegation quickly and in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

A 'case manager' will lead any investigation. This will be the headteacher, or the proprietor where the headteacher is the subject of the allegation.

## 4.2 Low-level concerns about members of staff

A low-level concern is a behaviour towards a child by a member of staff that does not meet the harm threshold, is inconsistent with the staff code of conduct, and may be as simple as causing a sense of unease or a 'nagging doubt'. For example, this may include:

Being over-friendly with children

Having favourites

Taking photographs of children on a personal device

Engaging in 1-to-1 activities where they can't easily be seen Humiliating pupils

Low-level concerns can include inappropriate conduct inside and outside of work.

All staff should share any low-level concerns they have using the reporting procedures set out in our child protection and safeguarding policy. We also encourage staff to self-refer if they find themselves in a situation that could be misinterpreted. If staff are not sure whether behaviour would be deemed a low-level concern, we encourage staff to report it.

All reports will be handled in a responsive, sensitive and proportionate way.

Unprofessional behaviour will be addressed, and the staff member supported to correct it, at an early stage.

This creates and embeds a culture of openness, trust and transparency in which our values and expected behaviour are constantly lived, monitored and reinforced by all staff, while minimising the risk of abuse.

Reporting and responding to low-level concerns is covered in more detail in our child protection and safeguarding policy. This is available from our website or from the school policy folder held in the admin office

Our procedures for dealing with allegations will be applied with common sense and judgement.

## 4.3 Whistle-blowing

Whistle-blowing reports wrongdoing that it is "in the public interest" to report. Examples linked to safeguarding include:

- Pupils' or staff's health and safety being put in danger
- Failure to comply with a legal obligation or statutory requirement
- Attempts to cover up the above, or any other wrongdoing in the public interest

Staff are encouraged to report suspected wrongdoing as soon as possible. Their concerns will be taken seriously and investigated, and their confidentiality will be respected.

Staff should consider the examples above when deciding whether their concern is of a whistleblowing nature. Consider whether the incident(s) was illegal, breached statutory or school procedures, put people in danger or was an attempt to cover any such activity up.

Staff should report their concern to the headteacher. If the concern is about the headteacher or it is believed they may be involved in the wrongdoing in some way, the staff member should report their concern to the Directors

Concerns should be made in writing wherever possible. They should include names of those committing wrongdoing, dates, places and as much evidence and context as possible. Staff raising a concern should also include details of any personal interest in the matter.

For our school's detailed whistle-blowing process, please refer to our whistle-blowing policy.

## **5. Staff-pupil relationships**

Staff will observe proper boundaries with pupils that are appropriate to their professional position. They will act in a fair and transparent way that would not lead anyone to reasonably assume they are not doing so.

If staff members and pupils must spend time on a one-to-one basis, staff will ensure that:

- This takes place in a public place that others can access

- Others can see in to the room

- A colleague or line manager knows this is taking place

Staff should avoid contact with pupils outside of school hours if possible.

Personal contact details should not be exchanged between staff and pupils. This includes social media profiles.

While we are aware many pupils and their parents may wish to give gifts to staff, for example, at the end of the school year, gifts from staff to pupils are not acceptable.

If a staff member is concerned at any point that an interaction between themselves and a pupil may be misinterpreted, or if a staff member is concerned at any point about a fellow staff member and a pupil, this should be reported in line with the procedures set out in our child protection and safeguarding policy.

## **6. Communication and social media**

School staff's social media profiles should not be available to pupils. If they have a personal profile on social media sites, they should not use their full name, as pupils may be able to find them. Staff should consider using a first and middle name instead, and set public profiles to private.

Staff should not attempt to contact pupils or their parents via social media, or any other means outside school, in order to develop any sort of relationship. They will not make any efforts to find pupils' or parents' social media profiles.

Staff will ensure that they do not post any images online that identify children who are pupils at the school without their consent.

Staff should be aware of the school's online safety policy or add reference to other relevant policies you have.

## **7. Acceptable use of technology**

Staff will not use technology in school to view material that is illegal, inappropriate or likely to be deemed offensive. This includes, but is not limited to, sending obscene emails, gambling and viewing pornography or other inappropriate content.

Staff will not use personal mobile phones and laptops, or school equipment for personal use, in school hours or in front of pupils. They will also not use personal mobile phones or cameras to take pictures of pupils.

We have the right to monitor emails and internet use on the school IT system.

## **8. Confidentiality**

In the course of their role, members of staff are often privy to sensitive and confidential information about the school, staff, pupils and their parents.

This information should never be:

Disclosed to anyone unless required by law or with consent from the relevant party or parties

Used to humiliate, embarrass or blackmail others

Used for a purpose other than what it was collected and intended for

This does not overrule staff's duty to report child protection concerns to the appropriate channel where staff believe a child has been harmed or is at risk of harm, as detailed further in our child protection and safeguarding policy.

## **9. Honesty and integrity**

Staff should maintain high standards of honesty and integrity in their role. This includes when dealing with pupils, handling money, claiming expenses and using school property and facilities.

Staff will not accept bribes. Gifts must be declared and recorded on the gifts and hospitality register.

Staff will ensure that all information given to the school is correct. This should include:

Background information (including any past or current investigations/cautions related to conduct outside of school)

Qualifications

Professional experience

Where there are any updates to the information provided to the school, the member of staff will advise the school as such as soon as reasonably practicable. Consideration will then be given to the nature and circumstances of the matter and whether this may have an impact on the member of staff's employment.

## **10. Dress code**

Staff will dress in a professional, appropriate manner.

Outfits will not be overly revealing.

Clothes will not display any offensive or political slogans.

For health and safety no open toe footwear

Jewellery is restricted to reduce the risk of harm to both staff and students

The school will provide uniform for staff, T Shirts. Polo shirts, Sweatshirts

Sporting clothing should only be worn whilst participating in sport activities, this includes casual tracksuit bottoms.

## **11. Conduct outside of work**

Staff will not act in a way that would bring the school, or the teaching profession, into disrepute. This covers conduct including but not limited to relevant criminal offences, such as violence or sexual misconduct, as well as negative comments about the school on social media.

## **12. Monitoring arrangements**

This policy will be reviewed every two years, but can be revised as needed. It will be approved by the Headteacher and School Board

Our Directors will ensure this code of conduct is implemented effectively, and will ensure appropriate action is taken in a timely manner to safeguard children and deal with any concerns.
